

**Domonique Bertolucci**  
*Success & Balance*

Domonique is passionate about the pursuit of *real* success.

In her motivational keynote 'True Balance', she shows people how to create a brilliant life; one where they achieve their personal and professional ambitions without burning out, or losing sight of *who they are* and why they wanted them in the first place.

Domonique is the best selling author of *Your Best Life*

**Hugh Gyton**  
*Sales & Communication*

Hugh's true purpose is to get people comfortable in, and consciously managing conversations that matter; building trust; and ultimately experiencing more out of life.

Core to his philosophy is that 'people buy people first.....not companies or products'.

After all, selling is 'Just a Conversation', and business performance is literally defined by the conversations we have.

**Jen Dalitz**  
*Change & Leadership*

Jen is a business consultant and management expert. She specialises in helping organisations & individuals turn potential into results.

As the founder of SheEO of Sphinx, a community of women leaders, Jen is an expert on the issues women face forging their careers. Jen lives and breathes resilience and thrives on challenge - the more difficult the situation, the better. She shares new perspectives on leading & managing change.

**Matt Church**  
*Performance & communication*

Matt is truly the complete conference package. A fabulous speaker, prolific author & clearly the Thought Leaders' thought leader.

Matt will not only present the opening keynote but also MC the event. An elegant communicator, he ties in messages and positions people and topics with ease.

Matt is the creator of Thought Leaders and is often described as clear, engaging and truly inspiring!

**Graeme Cowan**  
*Attitude & Adversity*

Graeme's keynote is titled 'Brinkmanship' - *the art of turning adversity into opportunities*. Graeme is a successful author and business man who for five years had the worst bout of depression his doctor had ever treated.

He describes how his own horrendous experience has led to opportunities and gifts that he couldn't have imagined. A courageous message, delivered with grace, humility and authenticity.

**David & Annie McCubbin**  
*People & Power*

Acclaimed as actors & sought after as organisational development experts, David & Annie are translators of dramatic insights & practices to the corporate stage.

They bring professional relationship insights to life with astonishing impact. Funny, profound & hugely engaging.

Where people skills determine success; in leadership, sales or service - David & Annie's insights into relational power, give people the X-factor!

**Michael Henderson**  
*Culture & Values*

Corporate Anthropologist, Michael Henderson has the mandate to unearth ideas and trends that affect the very fabric of our society.

His groundbreaking work on values has helped countless people to explore what makes people tick and what we value most.

Michael will be addressing the themes of engagement, culture, people & strategies and how we can align them for dynamic growth.

**Vanessa Hall**  
*Trust & Relationships*

Vanessa understands what's really going on; in our business, in our lives and in our society.

In her insightful & entertaining keynote 'The truth about trust', Vanessa peels back the layers and exposes the one thing that can make or break every relationship & interaction on the planet. She then explains the why, how & what we can do to fix it. Vanessa is the award winning author of 'The truth about trust in business' and 'The simple truth about trust.'
